**Christy Dooley, Louisville Metro**  
**Andrew Metcalfe, Louisville Metro**  
**Connie Barr, Louisville Metro**

### **GUESTS:**

**Cassandra Culin, Clifton Comm. Council**  
**Katie McBride, Louisville Metro**

- Karen Scott with the Airport Authority reported that there are no changes in their project status. The submittal deadline was mid-June and they are waiting for notification. They are still looking for additional funding.
- Barry Barker reported that construction has begun on 3 of TARC's construction projects – the Maintenance Annex facility and the 2 Bus Storage Facilities. All bids were under budget.
- Ted Pullen reported that due to unexpected problems, some of the original projects will not meet the Sept. 1 deadline. The funds will be reallocated to other projects that have been submitted that are able to make the deadline. Louisville Metro has submitted more Sidewalk Repair projects to replace those not approved. All projects will be ratified for funding at the July 23<sup>rd</sup> meeting at KIPDA. Projects not ratified for Stimulus projects can use other Federal dollars.
